

## DR Rooms & Components

Engineered for performance and long-term reliability, Fujifilm Digital Radiography (DR) suites help you to provide the highest quality of care. Designed for efficient workflow in busy environments, FDR digital radiography suites are easy to operate and allow both manual and automatic functions with user-friendly controls.

### FDR Visionary Suite

FDR Visionary Suite is the innovative digital radiography environment designed to improve the experience for both the technologist and the patient. Featuring automated positioning and optional, fully-automated advanced applications.

**FDR D-EVO Suite II**

A scalable integrated DR room designed to optimize and speed workflow for your everyday x-ray room demands.

**FDR D-EVO Suite FS**

A cost-effective, floor-mounted radiographic room, perfect for space-restricted rooms and budgets.

**FDR Clinica**

A high-quality x-ray solution that delivers a user-friendly, smart workflow for busy imaging professionals.
